At least one rate (2 cents) must be prepaid to insure forwarding except to Cuba and Republic of Panama. Postal cards, United States, Cuba, Republic of Panama, Mexico and Canada, 1 cent.

Letters and postal cards are forwarded from one postoffice to another without additional postage. Other matter only on prepayment of additional postage.

The use of hand stamps for personal communications, as stamping a receipt or credit on a bill of accounts; price lists with prices in writing, and all matter produced by typewriting constitutes first class matter.

Reproduction from Hectograph, Papyrograph, Electric Pen or other similar process may be sent as third class if mailed at post-office and in lots of not less than 20 identical copies. The limit of weight, 4 pounds, except single volumes of books to which there is no limit of weight.

Sealed packages, other than letters in their usual and ordinary form, are not allowed to be despatched to Canada, even if postage is prepaid thereon at full letter rates.
